

FAQs

1. What are the benefits of owning one?

- The number one goal of this project is to give back to the community by supporting the 2 main advocacies of the Miss World Philippines Organization: Education and Mental Health. NFT Holders will be delighted to know that a large sum of the profit will be allocated to the aforementioned advocacies. Doill Technologies Inc. envisions that the NFTs they create have real-world value. In correlation to this project, all NFT Holders get to enjoy free live streaming of the coronation night, (60) random holders will be invited and be given reserved seats to the Miss World Philippines Gala worth 15,000 PHP/seat on June 1, 2022, and (50) random holders will be given VIP regular seats worth 10,000 PHP/seat to the coronation night on, June 5, 2022.

2. Is the art randomly generated or preassigned?

- You have the option to mint an NFT between two color groups, green and pink, on the exhibit tab. When you mint, a randomly generated Miss World Philippines NFT representing the color group of your choice will be minted.

3. How can I mint these artworks?

- 1st step: Buy Polygon coin (MATIC) on Binance, Coinbase, or other cryptocurrency exchanges. Make sure you have enough coins to cover the cost of gas fees.

2nd step: To make an account, go to <https://metamask.io> (available on Chrome and Mobile), create a password, and write down your seed phrase. If you already have a Metamask wallet, ignore this step.
